

OCEAN SHORES PUBLIC LIBRARY-

Governance

Policy: 2.1 Board of Trustees

Adopted Board of Trustees December 2020

Governance as prescribed in Ocean Shores Municipal Code 2.60

In 1973, the city established a free, public library for the use of inhabitants of the city, which shall be known as the “Ocean Shores Public Library.” The management and control of the library is vested in the board of five trustees, known as the “library trustees” and Board of Trustees.

The Trustees are appointed by the mayor, subject to confirmation by the city council. Trustees may also be removed only by vote of the city council.

Trustees adopt bylaws, rules and regulations for their own guidance. The duties and the functions of the Library Trustees are outlined in detail in its bylaws. Bylaws are reviewed annually.
